State Documents

Amendments Signature Page

11. We feel that it would be so much clearer and possibly more fair for all bidders, if all bidders were given a type of spreadsheet by the NDOW of all pricing needs to make sure we all give you the information you need to see and all bidders are compared apples to apples. Is this possible?

    Vendors will structure their Cost Submittal as outlined in section 5 of the RFP with additional guidance from the responses to questions provided in this Amendment 1.

ALL ELSE REMAINS THE SAME FOR RFP 3272.

Vendor must sign and return this amendment with proposal submitted.

Vendor Name: ***Helicopter Wildlife Services***

Authorized Signature:

Title: ***Owner*** Date: ***08/22/16***

This document must be submitted in the "State Documents" section/tab of vendors' technical proposal.

ATTACHMENT A – CONFIDENTIALITY AND CERTIFICATION OF INDEMNIFICATION

Submitted proposals, which are marked "confidential" in their entirety, or those in which a significant portion of the submitted proposal is marked "confidential" **will not** be accepted by the State of Nevada. Pursuant to NRS 333.333, only specific parts of the proposal may be labeled a "trade secret" as defined in NRS 600A.030(5). All proposals are confidential until the contract is awarded; at which time, both successful and unsuccessful vendors' technical and cost proposals become public information.

The State will not be responsible for any information contained within the proposal. Should vendors not comply with the labeling and packing requirements, proposals will be released as submitted. In the event a governing board acts as the final authority, there may be public discussion regarding the submitted proposals that will be in an open meeting format, the proposals will remain confidential.

By signing below, I understand it is my responsibility as the vendor to act in protection of the labeled information and agree to defend and indemnify the State of Nevada for honoring such designation. I duly realize failure to so act will constitute a complete waiver and all submitted information will become public information; additionally, failure to label any information that is released by the State shall constitute a complete waiver of any and all claims for damages caused by the release of the information.

This proposal contains Confidential Information, Trade Secrets and/or Proprietary information as defined in ***Section 2 "ACRONYMS/DEFINITIONS."***

Please initial the appropriate response in the box below and provide the justification for confidential status.

ATTACHMENT C – VENDOR CERTIFICATIONS

Vendor agrees and will comply with the following:

(1) Any and all prices that may be charged under the terms of the contract do not and will not violate any existing federal, State or municipal laws or regulations concerning discrimination and/or price fixing. The vendor agrees to indemnify, exonerate and hold the State harmless from liability for any such violation now and throughout the term of the contract.

(2) All proposed capabilities can be demonstrated by the vendor.

(3) The price(s) and amount of this proposal have been arrived at independently and without consultation, communication, agreement or disclosure with or to any other contractor, vendor or potential vendor.

(4) All proposal terms, including prices, will remain in effect for a minimum of 180 days after the proposal due date. In the case of the awarded vendor, all proposal terms, including prices, will remain in effect throughout the contract negotiation process.

(5) No attempt has been made at any time to induce any firm or person to refrain from proposing or to submit a proposal higher than this proposal, or to submit any intentionally high or noncompetitive proposal. All proposals must be made in good faith and without collusion.

(6) All conditions and provisions of this RFP are deemed to be accepted by the vendor and incorporated by reference in the proposal, except such conditions and provisions that the vendor expressly excludes in the proposal. Any exclusion must be in writing and included in the proposal at the time of submission.

(7) Each vendor must disclose any existing or potential conflict of interest relative to the performance of the contractual services resulting from this RFP. Any such relationship that might be perceived or represented as a conflict should be disclosed. By submitting a proposal in response to this RFP, vendors affirm that they have not given, nor intend to give at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant or any employee or representative of same, in connection with this procurement. Any attempt to intentionally or unintentionally conceal or obfuscate a conflict of interest will automatically result in the disqualification of a vendor's proposal. An award will not be made where a conflict of interest exists. The State will determine whether a conflict of interest exists and whether it may reflect negatively on the State's selection of a vendor. The State reserves the right to disqualify any vendor on the grounds of actual or apparent conflict of interest.

(8) All employees assigned to the project are authorized to work in this country.

(9) The company has a written equal opportunity policy that does not discriminate in employment practices with regard to race, color, national origin, physical condition, creed, religion, age, sex, marital status, sexual orientation, developmental disability or handicap.

(10) The company has a written policy regarding compliance for maintaining a drug-free workplace.

(11) Vendor understands and acknowledges that the representations within their proposal are material and important, and will be relied on by the State in evaluation of the proposal. Any vendor misrepresentations shall be treated as fraudulent concealment from the State of the true facts relating to the proposal.

(12) Vendor must certify that any and all subcontractors comply with Sections 7, 8, 9, and 10, above.

(13) The proposal must be signed by the individual(s) legally authorized to bind the vendor per NRS 333.337.

ATTACHMENT I – CERTIFICATION REGARDING LOBBYING

Certification for Contracts, Grants, Loans, and Cooperative Agreements

The undersigned certifies, to the best of his or her knowledge and belief, that:

(1) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

(2) If any funds other than Federally appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure of Lobbying Activities," in accordance with its instructions.

(3) The undersigned shall require that the language of this certification be included in the award documents for all sub awards at all tiers (including subcontracts, sub grants, and contracts under grants, loans, and cooperative agreements) and that all sub recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

Scope of Work

SCOPE OF WORK

The Department of Wildlife is soliciting proposals from qualified vendors to perform aerial wildlife capture and transport services. The following will be the various types of capture events and processes the contractor will be asked to perform:

1.1.1 Helicopter netgun capture and helicopter transporting of animals back to a basecamp for processing by NDOW staff and volunteers;

1.1.2 Helicopter netgun capture and process animals at or near the capture site with no involvement from NDOW other than radio contact;

1.1.3 Helicopter netgun capture and process animals at or near the capture site involving ferrying NDOW and/or other project collaborators (i.e., University researchers or adjacent state wildlife agency biologists) to or near the capture site to assist with data collection and processing once animals are captured;

1.1.4 Helicopter netgun capture of pronghorn antelope in sagebrush or low shrubs with snow cover and coordinating closely with NDOW staff and volunteer field ground crews that will assist to blindfold, hobble and transport animals in pickup trucks back to a basecamp; and

1.1.5 Aerially herd pronghorn antelope into a corral-type trap.

It is estimated during the first year (October 2016 – February 2017) of the contract that NDOW will have the following capture needs:

1.1.6 50 bighorn sheep for transplant;
1.1.7 175 bighorn sheep to sample, mark, and release;
1.1.8 50 elk to sample, mark, and release;
1.1.9 50 mule deer to sample, mark, and release;
1.1.10 20 pronghorn to sample, mark, and release; and
1.1.11 50 pronghorn for transplant.

REQUIREMENTS

1.1.12 Contractor must comply with all Federal Aviation Administration regulations.

1.1.13 Contractor must possess and submit with their proposal, proof of valid insurance.

1.1.14 Contractor will provide the following:

1.1.14.1 A helicopter(s);

1.1.14.2 Fuel truck;

1.1.14.3 Fuel;

1.1.14.4 Personnel;

1.1.14.5 Equipment (netgun, nets, animal restraints/animal bags, blindfold, hobbles, etc.); and

1.1.14.6 Equipment maintenance to perform helicopter netgun capturing of wildlife.

1.1.15 The contractor selected must have the ability to furnish a helicopter that is suitable, properly equipped, and that can effectively perform animal captures and transports throughout the varied terrain and elevations (up to 12,000 feet) that exists in the State of Nevada.

1.1.16 Personnel involved directly in netgunning and animal handling must have prior experience in helicopter netgun captures.

1.1.17 Pilots must have a minimum of 1,000 documented hours of netgun capture experience. The level of experience must be submitted with the proposal within the pilots' résumés or letters of recommendation.

1.1.18 Netgunners and animal handlers must have previous experience in animal handling.

1.1.19 Contractors shall not subcontract these services without prior written approval of NDOW.

1.1.20 When scheduled 30 or more days in advance, the contractor shall:

1.1.20.1 Notify NDOW of prior commitments, which could conflict with the trapping operations.

1.1.20.2 Adhere to the schedule, unless both parties concur with the alteration, with the understanding that unapproved delays may result in the contractor being charged by NDOW for liquidated damages (i.e.; per diem, mileage, man-hours, etc.) at State of Nevada rates. Excused delays could include non-scheduled repairs or weather related causes.

Heliwild LLC acknowledges and will comply with all points in Scope of Work. Date: 8/22/16

Company Background and References

Vendor Information

4.1

Vendors must provide a company profile in the table format below.

Question	Response
Company name:	***Heliwild LLC***

Nevada Business License Number:	***Not yet available but we will comply***
Legal Entity Name:	***Heliwild LLC***

Is "Legal Entity Name" the same name as vendor is doing business as?

Yes		No	***XX***

If "No," provide explanation. ***DBA Helicopter Wildlife Services***
DBA BluVista Aviation

4.1.4

Vendors are cautioned that some services may contain licensing requirement(s). Vendors shall be proactive in verification of these requirements prior to proposal submittal. Proposals that do not contain the requisite licensure may be deemed non-responsive. ***Heliwild LLC acknowledges and will comply.***

4.1.5

Has the vendor ever been engaged under contract by any State of Nevada agency?

Yes		No	***XX***

4.1.6

Are you or any of your employees now or have been within the last two (2) years an employee of the State of Nevada, or any of its agencies, departments, or divisions?

Yes		No	***XX***

4.1.7

Disclosure of any significant prior or ongoing contract failures, contract breaches, civil or criminal litigation in which the vendor has been alleged to be liable or held liable in a matter involving a contract with the State of Nevada or any other governmental entity. Any pending claim or litigation occurring within the past six

(6) years which may adversely affect the vendor's ability to perform or fulfill its obligations if a contract is awarded as a result of this RFP must also be disclosed.

Does any of the above apply to your company?

Yes		No	***XX***

4.1.8

Vendors must review the insurance requirements specified in ***Attachment E, Insurance Schedule for RFP 3272***. Does your organization currently have or will your organization be able to provide the insurance requirements as specified in ***Attachment E***.

Yes	***XX***	No	

Any exceptions and/or assumptions to the insurance requirements ***must*** be identified on ***Attachment B, Technical Proposal Certification of Compliance with Terms and Conditions of RFP.*** Exceptions and/or assumptions will be taken into consideration as part of the evaluation process; however, vendors must be specific. If vendors do not specify any exceptions and/or assumptions at time of proposal submission, the State will not consider any additional exceptions and/or assumptions during negotiations.

Upon contract award, the successful vendor must provide the Certificate of Insurance identifying the coverages as specified in ***Attachment E, Insurance Schedule for RFP 3272***.

Heliwild LLC acknowledges and will comply.

4.1.9

Company background/history and why vendor is qualified to provide the services described in this RFP. ***SEE FOLLOWING PAGE.***

4.1.10

Length of time vendor has been providing services described in this RFP to the public and/or private sector. Please provide a brief description. ***SEE FOLLOWING PAGE.***

4.2 SUBCONTRACTOR INFORMATION

4.2.1

Does this proposal include the use of subcontractors?

Yes		No	***XX***

Company History

Helicopter Wildlife Services is an FAA Part 135 and part 133 certified company. Our company members have been involved in the wildlife capture industry for over 20 years. We provided safe, reliable and quality helicopter wildlife capture services. We conduct these services with honesty and integrity. We have conducted wildlife capture and caught and handled over 75 species of wildlife in five countries USA, Mexico, South Africa, Swaziland and Namibia. We have caught thousands upon thousands of head of wildlife. An average of 7000 head of game are caught during the African capture season alone. We are extremely versed in the safe and humane capture of all ungulate wildlife species. Our services include Net Gun capture, Chemical capture, Coral/Boma capture, collection of biological samples and DNA, tagging & notching, collar fitment and telemetry tracking, transporting as well as wildlife surveys, predator depredation, culling and invasive species management.

We have conducted captures of highly endangered and threatened species such as White and Black Rhino, Sable, Roan and Oribi Antelope, Bighorn Sheep and Mountain Goat. We have worked with organizations like the World Wildlife Fund and the Endangered Wildlife Trust.

Our Chief Pilot, has both FAA and SACAA Helicopter commercial licenses and has over 4300 hours of Wildlife Capture flying and over 7000 hours of actual darting and net gunning and mugging experience prior to becoming a wildlife capture pilot, and as of to date all accident free! Our capture crew all have extensive experience in wildlife capture, excellent animal handling skills, they have positive attitudes and are dedicated to providing the best service to our customers.

Our sister companies "Dan Inject Dart Guns" and "Wildlife Capture Equipment" manufacture and sell state of the art Chemical Immobilization and Net Gun capture equipment. Our net gun equipment, sling bags, hobbles, hoods and carry stretchers, have all been designed to provide the humane capture and restraint of wildlife whilst minimizing as much stress as possible.

We are more than capable and have the necessary helicopters; fuel trucks and all capture equipment needed to complete both the net gun capture and coral capture operations through out the various locations in Nevada.

Meeting the project goals for the state of Nevada is of high priority to our company, we understand the importance that all biological samples and recording of data, GPs co ordinates are imperative to the study and success of each project and that all animals caught must be done so with minimal stress and mortalities.

Mike Ross

Mike Ross is the main wildlife capture pilot for Helicopter Wildlife Services. He has worked in the wildlife capture and relocation industry for over 20 years, has caught over 50000 head of wildlife, and has caught over 75 species in five different countries (United States, Mexico, South Africa, Namibia and Swaziland. He catches wildlife 12 months of the year as he spends the wildlife capture season in Southern Africa (April – October) where he catches and average of 7000 head of game, about 10 -12 different species are caught per capture. He then returns for the capture season in the USA November to March/April. He is experienced in all three main methods of capture, such as Net Gun, Chemical and Coral Capture.

Working in both Southern Africa and North America allows Mike to catch a range of species, from fragile and tiny antelope such as Blue Duiker, to truly big game such as Buffalo and Giraffe as well as highly endangered and sensitive species like Bighorn Sheep, Black and White Rhino. For a pilot to successfully work with such a variety of species with such vast differences in behavior and habitat, can only be a testament to his overall abilities to read and understand wildlife, their behavior, their reactions to being chased, captured and handled and most importantly, their reactions to stress.

Mike's main priority is the safety for both his crew and the animals being caught. Being in the wildlife capture industry for 20 years, he understands the challenges associated to wildlife capture and therefore lives by the motto of "Proper Planning Prevents Poor Performance". He is completely dedicated to ensure that project goals are met and completed in the allocated time frame.

License & Certificates:

- *FAA commercial rotorcraft license*
- *SACAA commercial rotorcraft license*
- *FAR 135 certified*
- *FAR 133 certified*
- *Class 2 Medical*

Flight Hours & Ratings

- *4300 hours of* ***Wildlife Animal Capture***
- ***2600 hours of Net Gun Capture***
- *3400 hours of low level flying*
- *3000 hours of high altitude flying (5500ft -12500ft)*
- *18000 take off and landings in remote locations*
- *R22 – R44 – MD500D*
- *Sling Rating*
- *Night Rating*
- *Game Capture and Cull Rating*
- ***Clean record, no accident history***

Education & Training:

- *Big Game Professional Hunters License 1993*
- *Game Capture and Culling Course (Game Capture School) 1994*
- *10-day Chemical Capture Course by world-renowned wildlife veterinarian Kobus Raath in 1998.*
- *Robinson Helicopter Factory Flight Training Course 2007*
- *HAZMAT Training 2009*

******Mike also provides training and offers courses for both Chemical Capture and Net Gun Capture for our sister companies Dan Inject Dart Guns and Wildlife Capture Equipment. He has lectured, written papers and served as a guest speaker on numerous occasions at Texas A&M University on the subjects of wildlife capture, chemical capture, net gun capture and darting equipment. He has given courses to numerous zoos and wildlife rehabilitation organizations in the USA. *******

Ryan Davol

Ryan Davol is FAR PART 135 / 133 / 137 / USDA / USDI carded. He has been flying helicopters throughout the Northwest, Midwest, Hawaii, and Alaska for the last 14 years. Ryan has over 7500 hours logged as Pilot in Command in helicopters and over 4500 hours flying the MD 500 D/E models. Ryan is also a FAA Certified Flight Instructor for helicopters and is USDA / USDI carded pilot in MD helicopters. The majority of Ryan's flight experience is of the utility variety including power line construction, fire fighting, animal capture and survey, and law enforcement / rescue. Ryan is also an advanced skills instructor in helicopter rescue for Air Rescue Systems. He has been flying helicopters on Fish and Wildlife contracts since 2007.

He has flown multiple seasons of big game surveys around Oregon for deer, elk, bighorn sheep, mountain goat, moose, cougar, coyote and pronghorn. Ryan has also flown the annual ODFW waterfowl surveys throughout the state for three seasons as well as Sage Grouse Lek surveys. Animal survey and capture contracts are Ryan's favorite things to do. He enjoys the unique challenges this type of flying requires and loves to work with animals. In addition to survey work, Ryan has successfully net-gunned and darted over 2500 big game animals. He has been the lead pilot for Oregon Department of Fish and Wildlife and Klamath Tribes on seven capture projects throughout Oregon.

Ryan has also completed several capture projects for Utah DNR for mule deer, bighorn sheep, elk, coyotes, and bison in 2011/2012 and 2013/2014 and 2015. Ryan has also had the opportunity to help mug hundreds of animals including fawn mule deer, adult mule deer, male and female blacktail deer, elk, coyotes, big horn sheep and bison. He is competent in all aspects of the capture process including using telemetry during capture operations, monitoring body temperature, aging animals, drawing blood, taking DNA samples, attaching radio and gps collars, weighing and taking accurate body measurements, fecal samples, and proper techniques to humanely euthanize animals, and bagging and slinging animals.

In addition to completing many capture and survey projects in Oregon, Ryan has flown two seasons for US Fish and Wildlife on white tail deer surveys using FLIR on the columbia river between Washington and Oregon. Ryan has also worked for the BLM on wild horse round-ups in the state of Oregon as a gunner.

When not performing wildlife capture work Ryan typically does powerline work using the MD 500, 520, 530 and the MD 600N. He has two thousand hours plus experience in wire pulling, short-hauling, insulator change outs, midspan splicing, marker ball installation, bird diverters, dead-ending with baker boards, working on energized lines, skid transfers, phase lifting, and spacer cart work. He has worked large scale 230, 345 and 500 KV projects in Oregon, California, Wyoming, Utah, Idaho, Texas, Iowa, Nevada and Nebraska. Ryan is also a member of the Jackson County Sheriffs Airborne Law Enforcement Rescue Team in Oregon. He has performed dozens of rescues over a 6 year period.

- *Education - B.S. Civil Engineering - Oregon Tech 2001*
- *Commercial / CFI # 3089367*
- *Current 133/135/137 Carded*
- *Current USDA / USDI Carded for Low Level (recon & survey), Helitack/Passenger*
- *Transport, External Load (long Line), Water/Retardant Delivery, Longline VTR (150'),*
- *Mountainous Terrain Flight in MD Helicopters*
- *Current CDL with HAZMAT and Tank endorsements*
- *Current Certified Flight Instructor Helicopters*
- ***7000 hours + Pilot in Command Helicopters***
- ***2000 hours + Long Line Time***
- ***2000 hours + Mountain Time***

- ***200+ hours Unaided Night***
- *MD 500 D/E, MD 520, MD 530, MD 600, MD 902 - 5500 + Hours PIC*
- *Robinson R-44II, AS 350B2, Bell Jet Ranger 206 BIII - 1500 Hours PIC*
- ***Over 1400 hours helicopter PIC time during Net Gun Animal Capture Operations for State and Federal Agencies***
- *Instructor for Helicopter hoist, rappel, and fast rope operations for Air Rescue Systems*
- *More than 1500 animals captured by helicopter*
- *Flown 14 successful contracts for Oregon Department of Fish and Wildlife*
- *Flown 2 seasons of capture for UTAH DWR*
- ***No accidents, incidents or violations in Ryan's flight history***

Wes Livingston

Recent work History: 2 September 2014 – 18 March 2016 Utah DNR, Montana FWP, Navajo Tribe Utah – JJJ Ranch Texas & South Africa with Heliwild LLC

Wes Livingston has been a net gunner and mugger; in the wildlife capture industry for 16 years. He is probably one of the most experienced net gunners in North America. He has caught and handled all of the North American species in 21 states as well as Canada and Mexico. He is completely proficient in all aspects of wildlife capture from net gunning, darting, mugging, placing collars, drawing blood, taking nasal and tracheal swabs, DNA samples and more. Wes not only is ACETA certified, he is the ACETA net gunning instructor for the DOI.

Education, training & Experience:

- *Safe Capture Course (Dr Mark Drew and received further training from multiple wildlife veterinarians*
- *Factory Certified Net Gunner (coda ent)*
- *Factory Certified Net Gunning & animal handling Instructor (coda ent)*
- *ACTEA helicopter and net gunning Instructor*
- *Captured and handled over 11500 head of wildlife*
- *Completely proficient in placing collars and collecting biological samples*
- *Proficient in the use of Penetrating Captive Bolts and other forms of humane euthanasia*
- *Has assisted and advised on moving animals worldwide*
- *Proficient in the use of schedule 2 – 5 drugs*

*****Please note that Wes Livingston is many times on bids without his consent. He has confirmed that he will continue to work for Heliwild LLC, dba Helicopter Wildlife Services this upcoming capture season.***

Sven Bruss

Sven Bruss has been involved in the Wildlife Capture industry for 9 years. He owns and operates his own capture company in South Africa where he catches over 8000 head of wildlife using Corral capture, Net gun Capture and Chemical capture. He has been contracting the services of our company Helicopter Wildlife Services and our lead Pilot Mike Ross for the past 5 years. For his net gun captures, he does all the net gunning himself. Together they have created a formidable reputation as one of the best net gunning teams in Southern Africa. During the African off season, he works with us in the USA and Mexico. He has captured and handled the following North American species in Utah and Texas: Mule Deer, Whitetail Deer, Elk, Pronghorn Antelope, Desert Bighorn Sheep, Coyotes and Bison.

Education, Training & Experience.

- *Chemical and Mechanical Capture Course (Capture Academy - South Africa)*
- *Net Gun Capture Course (Wildlife Capture Equipment)*
- *Capture and handled over 35000 head of wildlife*
- *Captures and Handles on average 7000 head of wildlife per season*
- *Captures 8 months of the year*
- *Completely proficient in collar fitment, collection of biological & DNA samples*
- *Completely Proficient in the safe use of schedule 2 - 5 drugs*
