Pursuant to Nevada Revised Statute (NRS) 277.100, NRS 277.110, NRS 333.162(1)(d), and NRS 333.480 the Chief of the Purchasing Division of Nevada is authorized to enter into cooperative group-contracting consortium.

The Western States Contracting Alliance ("WSCA") is a cooperative group-contracting consortium for state government departments, institutions, agencies and political subdivisions (i.e., colleges, school districts, counties, cities, etc.) for the states of Alaska, Arizona, California, Colorado, Hawai'i, Idaho, Minnesota, Montana, Nevada, New Mexico, Oregon, South Dakota, Utah, Washington and Wyoming.

The State of Nevada has been authorized by WSCA to negotiate a Master Agreement as Lead State, for and on behalf of WSCA and its Members.

In consideration of the above premises, and for good and valuable consideration, the receipt of which is hereby acknowledged, the parties mutually agree as follows:

1. **REQUIRED APPROVAL.** This contract shall not become effective until and unless approved by the Western States Contracting Alliance Directors.
2. **DEFINITIONS.** "WSCA" means the Western States Contracting Alliance. "State" and/or "Lead State" means the State of Nevada and its state agencies, officers, employees and immune contractors as defined in NRS 41.0307. "Participating State(s)" means state(s) that have signed (and not revoked) an Intent to Contract at the time of the award of this contract, or who have executed a Participating Addendum. "Participating Entity" means a state, or other legal entity authorized by a state, that is authorized to enter and does enter into a Participating Addendum under this contract. "Buyer" means any WSCA Participating State, a Participating Entity, or any authorized agency or political subdivision of a Participating State that

Effective 04/07

makes a purchase under this contract. "Contract" means this Master Service Agreement for Services of Independent Contractor, together with all documents incorporated herein. "Contractor" and/or Contracting Agency" means a person or entity that performs services and/or provides goods for WSCA or a Participating Entity under the terms and conditions set forth in this contract. "Solicitation" means RFP #1907 incorporated herein as Attachment AA. "Fiscal Year" is defined as the period beginning July 1 and ending June 30 of the following year.

3. CONTRACT TERM. This contract shall be effective from WSCA Directors' approval to October 31, 2016, unless sooner terminated by either party as specified in paragraph (21). Each Participating Addendum executed in connection with this Contract shall be effective from its corresponding effective date. A Participating Addendum shall not exceed the term or scope of this Contract.

4. CANCELLATION OF CONTRACT; NOTICE. Unless otherwise stated in the special terms and conditions, any contract entered into as a result of the Solicitation may be canceled by either party upon written notice sixty (60) days prior to the effective date of the cancellation. Further, any Participating State may cancel its participation upon thirty (30) days written notice, unless otherwise limited or stated in the special terms and conditions of the Solicitation. Cancellation may be in whole or in part. Any cancellation under this provision shall not affect the rights and obligations attending orders outstanding at the time of cancellation, including any right of any Participating Entity to indemnification by the Contractor, Contractor's rights of payment for goods/services delivered and accepted, WSCA's rights to payment of administrative fees, and each party's rights attending any warranty or default in performance in association with any order. Cancellation of the contract due to Contractor default may be immediate, subject to an opportunity to cure, if applicable, under the terms of Section 21 herein.

5. INCORPORATED DOCUMENTS. The parties agree that the scope of work is specifically described in this Contract and its incorporated documents; this Contract incorporates the following attachments, which, after the terms of this Master Service Agreement for Services of Independent Contractor, are listed in descending order of constructive precedence:

- ATTACHMENT AA: SOLICITATION #1907 (Scope of Work) and ATTACHMENTS (list attachments);
- ATTACHMENT BB: CONTRACTOR'S RESPONSE
- ATTACHMENT CC: CONTRACTOR'S ADDITIONAL TERMS

A Contractor's attachment shall not contradict or supersede any WSCA specifications, terms or conditions without written evidence of mutual assent to such change appearing in this contract.

6. [INTENTIONALLY OMITTED]

7. ASSENT. The parties agree that the terms and conditions listed on incorporated attachments of this contract are also specifically a part of this contract and are limited only by their respective order of precedence and any limitations specified.

8. PARTICIPATING ADDENDA. To participate in this Contract, a WSCA Member State (including the Lead State) or any Participating Entity authorized to participate in this contract, shall enter into a Participating Addendum with the Contractor. The Participating Addendum shall not exceed the scope or term of this contract. In case of conflict between the terms of the Participating Addendum and this contract, the Participating Addendum shall take precedence as to all purchases made under that Participating Addendum.

Effective 04/07

9. [INTENTIONALLY OMITTED]

10. [INTENTIONALLY OMITTED]

11. CONSIDERATION. The parties agree that Contractor will provide the services specified in paragraph (5), at the cost for each service specified in Attachment BB (Contractor's Response). Contracted prices represent ceiling prices for the supplies and services offered. The Contractor shall report to the Lead State any price reduction or discount, or other more favorable terms offered to any Purchasing Entity and the Contractor agrees to negotiate in good faith to re-establish ceiling prices or other more favorable terms and conditions applicable to future orders. Bid prices must remain firm for the full term of the contract. In the case of error in the extension of prices in the bid, the unit prices will govern. WSCA does not guarantee to purchase any amount under this contract. Estimated quantities in the Solicitation are for bidding purposes only and are not to be construed as a guarantee to purchase any amount. If Contractor has quoted a cash discount based upon early payment; discounts offered for less than thirty (30) days have not been considered in making the award. The date from which discount time is calculated shall be the date a correct invoice is received or receipt of shipment, whichever is later; except that if testing is performed, the date shall be the date of acceptance of the merchandise. Neither WSCA nor the Lead State is liable for any costs incurred by the bidder in proposal preparation.

12. PAYMENT. Payment is normally made within thirty (30) days following the date the entire order is delivered or the date a correct invoice is received, whichever is later. After forty-five (45) days the Contractor may assess overdue account charges up to a maximum rate of one (1) percent per month on the outstanding balance. Payments will be remitted by mail. Payments may be made via a Participating State's "Purchasing Card."

13. TAXES. Prices shall be exclusive of state sales and federal excise taxes. Where a Participating State is not exempt from sales taxes on sales within its state, the Contractor shall add the sales taxes on the billing invoice as a separate entry. Contractor will be responsible to pay all taxes, assessments, fees, premiums, permits, and licenses required by law. The Lead State's real property and personal property taxes are the responsibility of Contractor in accordance with NRS 361.157 and NRS 361.159. Contractor agrees to be responsible for payment of any government obligations described above that are owed but not paid by its subcontractors during performance of this contract. The Lead State Nevada may set-off against consideration due any delinquent government obligation in accordance with applicable law, including, but not limited to NRS 353C.190.

14. FINANCIAL OBLIGATIONS OF PARTICIPATING STATES. Financial obligations of Participating States are limited to the orders placed by the departments or other state agencies and institutions having available funds. Unless otherwise provided by state law or in a Participating Addendum, States incur no financial obligations on behalf of political subdivisions that are Participating Entities under this Contract. Unless otherwise specified in the Solicitation, the resulting award(s) will be permissive.

15. ORDER NUMBERS. Contract order and purchase order numbers shall be clearly shown on all acknowledgments, shipping labels, packing slips, invoices, and on all correspondence.

16. WSCA ADMINISTRATIVE FEE; REPORTS. As more fully described in the Solicitation and Response, the Contractor shall submit quarterly reports to the WSCA Contract Administrator showing the quantities and dollar volume of purchases by each Participating State. This information will be utilized in computing and verifying the administrative fee payable to WSCA. Contractor shall pay an administrative fee of 1/10th of 1% (one-tenth of one percent) of the total wireless spend to WSCA.

17. DELIVERY. The prices bid shall be the delivered price to any Buyer. All deliveries shall be F.O.B. destination with all parcel transportation and handling charges paid by the Contractor and all bulk transportation and handling charges paid by the Buyer. Responsibility and liability for loss or damage shall remain with the Contractor until final inspection and acceptance, when responsibility shall pass to the Buyer except as to latent defects, fraud and Contractor's warranty obligations. The minimum shipment amount will be found in Attachment BB. Any order for less than the specified amount is to be shipped with the freight prepaid and added as a separate item on the invoice. Any portion of an order to be shipped without transportation charges that is back-ordered shall be shipped without charge.

18. HAZARDOUS CHEMICAL INFORMATION. The Contractor will provide one set of the appropriate material safety data sheet(s) and container label(s) upon delivery of a hazardous material to any Buyer. All safety data sheets and labels will be in accordance with each Participating State's requirements.

19. INSPECTIONS. Goods furnished under this contract shall be subject to inspection and test by the Buyer at times and places determined by the Buyer. If the Buyer finds goods furnished to be incomplete or in non-compliance with bid specifications, the Buyer may reject the goods and require Contractor to correct them without charge. Buyer may offer the opportunity to deliver nonconforming goods at a reduced price which is equitable under the circumstances. If Contractor is unable or refuses to correct such goods within a time deemed reasonable by the Buyer, the Buyer may cancel the order in whole or in part. Nothing in this paragraph shall adversely affect the Buyer's rights. Buyer's inspection and acceptance of the goods will occur within four (4) days from receipt of the order.

20. INSPECTION & AUDIT.

a. Books and Records. The Contractor will maintain, or supervise the maintenance of all records necessary to properly account for the payments made to the Contractor for costs authorized by this contract. Contractor agrees to keep and maintain under generally accepted accounting principles (GAAP) full, true and complete records, contracts, books, and documents as are necessary to fully disclose to WSCA, the State or United States Government, or their authorized representatives, upon audits or reviews, sufficient information to determine compliance with all state and federal regulations and statutes.

b. Inspection & Audit. Contractor agrees that the relevant books, records (written, electronic, computer related or otherwise), including, without limitation, relevant accounting procedures and practices of Contractor or its subcontractors, financial statements and supporting documentation, and documentation related to the work product shall be subject, at any reasonable time, to inspection, examination, review, audit, and copying at any office or location of Contractor where such records may be found, with or without notice by WSCA; the United States Government; the State Auditor or its contracted examiners, the Department of Administration, Budget Division, the Nevada State Attorney General's Office or its Fraud Control Units, the State Legislative Auditor, and with regard to any federal funding, the relevant federal agency, the Comptroller General, the General Accounting Office, the Office of the Inspector General, or any of their authorized representatives. All subcontracts shall reflect requirements of this paragraph.

c. Period of Retention. All books, records, reports, and statements relevant to this contract must be retained a minimum four (4) years after the contract terminates or until all audits initiated within the four (4) years have been completed, whichever is later, and for five (5) years if Contractor has received notice that any federal funds are used in the contract. The retention period runs from the date of payment for the relevant goods or services by the State, or from the date of termination of the Contract, whichever is later. Retention time shall be extended when Contractor has been notified that an audit is scheduled or is in progress, for a period reasonably necessary to complete an audit and/or to complete any administrative and judicial litigation which may ensue.

21. WSCA's RIGHTS UPON DEFAULT. Any of the following events shall constitute cause for WSCA to declare Contractor in default of the Contract: (1) nonperformance of contractual requirements under the Contract; and/or (2) a material breach of any term or condition of this Contract. WSCA shall issue a written notice of default providing a period in which Contractor shall have an opportunity to cure, which will not be less than thirty (30) days, unless cure is impossible or unless the default poses a substantial risk to human health or safety. Time allowed for cure shall not diminish or eliminate Contractor's liability for other damages. If the default remains, after Contractor has been provided the opportunity to cure, WSCA may do one or more of the following: (1) exercise any remedy provided by law; (2) terminate this contract and any related contracts or portions thereof; ; and/or (3) suspend Contractor from receiving future bid solicitations.

Winding Up Affairs Upon Termination. In the event of termination of this contract for any reason, the parties agree that the provisions of this paragraph survive termination:

- i. The parties shall account for and properly present to each other all claims for fees and expenses and pay those which are undisputed and otherwise not subject to set off under this contract. Neither party may withhold performance of winding up provisions solely based on nonpayment of fees or expenses accrued up to the time of termination;
- ii. Contractor shall satisfactorily complete work in progress at the agreed rate (or a pro rata basis if necessary) if so requested by WSCA;
- iii. Contractor shall execute any documents and take any actions necessary to effectuate an assignment of this contract if so requested by WSCA;
- iv. Contractor shall preserve, protect and promptly deliver into WSCA's possession all proprietary information in accordance with paragraph (31).

22. REMEDIES NOT EXCLUSIVE. Except as otherwise provided for by law or this contract, the rights and remedies of the parties shall not be exclusive and are in addition to any other rights and remedies provided by law or equity, including, without limitation, actual damages, and to a prevailing party reasonable attorneys' fees and costs. It is specifically agreed that reasonable attorneys' fees shall include without limitation \$125 per hour for attorneys employed by the Lead State. The Lead State may set off consideration against any unpaid obligation of Contractor to Lead State in accordance with NRS 353C.190, or the applicable Participating Addendum. A Participating Entity's right of set-off shall be in accordance with the law of the Participating Entity's state, and the provisions of the applicable Participating Addendum.

23. LIMITED LIABILITY. Nevada will not waive and intends to assert available NRS chapter 41 liability limitations in all cases. Contract liability of both parties shall not be subject to indirect, consequential, special, incidental or punitive damages. Liquidated damages shall not apply unless otherwise specified in this the incorporated attachments. Damages for any breach by the Lead State shall never exceed the amount of funds appropriated for payment by the Lead State or any of its agencies pursuant to a

Participating Addendum entered into by the Lead State under this contract, but not yet paid to Contractor, for the fiscal year budget in existence at the time of the breach. Damages for any Contractor breach shall not exceed the greater of five percent (5%) of the previous year's "total wireless spend" under this Contract, or \$1,000,000. Contractor's tort liability shall not be limited.

24. FORCE MAJEURE. Neither party to this contract shall be deemed to be in violation of this contract if it is prevented from performing any of its obligations hereunder due to strikes, failure of public transportation, civil or military authority, act of public enemy, accidents, fires, explosions, or acts of God, including, without limitation, earthquakes, floods, winds, or storms. In such an event the intervening cause must not be through the fault of the party asserting such an excuse, and the excused party is obligated to promptly perform in accordance with the terms of the contract after the intervening cause ceases. WSCA may terminate this contract after determining such delay or default will reasonably prevent successful performance of the contract.

25. INDEMNIFICATION. To the fullest extent permitted by law, Contractor shall indemnify, hold harmless and defend, not excluding the indemnitee's right to participate, the Lead State and any Buyer under this Contract from and against all liability, claims, actions, damages, losses, and expenses, including, without limitation, reasonable attorneys' fees and costs, arising out of any negligent or willful acts or omissions of Contractor, its officers, employees and agents. The Contractor shall release, protect, indemnify and hold WSCA and the respective states and their officers, agencies, employees, harmless from and against any damage, cost or liability, including reasonable attorney's fees for any or all injuries to persons, property or claims for money damages arising from the negligent willful acts or omissions of the contractor, his employees or subcontractors or volunteers.

26. INSURANCE SCHEDULE. Unless expressly waived in writing by the Lead State or Participating States, Contractor, as an independent contractor and not an employee of the Lead State or Participating States, must carry policies of insurance in amounts specified in this Insurance Schedule and/or any Insurance Schedule agreed by Contractor and a Participating State via a participating addendum, and pay all taxes and fees incident hereunto. The Lead State and Participating States shall have no liability except as specifically provided in the contract. The Contractor shall not commence work before:

1) Contractor has provided the required evidence of insurance to the Lead State.

The Lead State's approval of any changes to insurance coverage during the course of performance shall constitute an ongoing condition subsequent this contract. Any failure of the Lead State to timely approve shall not constitute a waiver of the condition.

Insurance Coverage: The Contractor shall, at the Contractor's sole expense, procure, maintain and keep in force for the duration of the contract the following insurance conforming to the minimum requirements specified below. Unless specifically stated herein or otherwise agreed to by the Lead State, the required insurance shall be in effect prior to the commencement of work by the Contractor and shall continue in force as appropriate until the latter of:

1. Final acceptance by the Lead State of the completion of this contract; or

2. Such time as the insurance is no longer required by the Lead State under the terms of this contract.

Any insurance or self-insurance available to the Lead State shall be excess of and non-contributing with any insurance required from Contractor. Contractor's insurance policies shall apply on a primary basis. Until such time as the insurance is no longer required by the Lead State, Contractor shall provide the Lead State with renewal or replacement evidence of insurance before the expiration or replacement of the required insurance. If at any time during the period when insurance is required by the contract, an insurer

or surety shall fail to comply with the requirements of this contract, as soon as Contractor has knowledge of any such failure, Contractor shall immediately notify the State and immediately replace such insurance or bond with an insurer meeting the requirements.

Unless different or additional insurance is required pursuant to the terms of a Participating Addendum, Contractor agrees that the following insurance coverages and policy limits shall also apply to, and operate for the benefit of each Participating Entity that participates in this Contract pursuant to a Participating Addendum. Contractor will use reasonable efforts to address any additional insurance requirements proposed under a Participating Addendum.

- c. Deductibles and Self-Insured Retentions: Insurance maintained by Contractor may contain deductibles or self-insured retentions. Such deductibles or self-insured retentions shall not relieve Contractor from the obligation to pay any loss or claim for which the Contractor is responsible under this Contract. Any deductibles or self-insured retentions must be declared to and approved by the Lead State. Approval of such deductibles or self-insured retentions shall not be unreasonably withheld upon Contractor demonstration of financial capacity to carry said deductibles or self-insured retentions.
- d. Policy Cancellation: Except for ten (10) days notice for non-payment of premium, for each insurance policy, Contractor or their representative shall provide that required insurance shall not be cancelled or non-renewed without Contractor providing at least thirty (30) days prior written notice to the Lead State. Review and Approval: Documents specified above must be submitted for review and approval by the Lead State prior to the commencement of work by Contractor. Neither approval by the Lead State nor failure to disapprove the insurance furnished by Contractor shall relieve Contractor of Contractor's full responsibility to provide the insurance required by this contract. Compliance with the insurance requirements of this contract shall not limit the liability of Contractor or its sub-contractors, employees or agents to the Lead State or others, and shall be in addition to and not in lieu of any other remedy available to the Lead State or Participating States under this contract or otherwise. The Lead State reserves the right to request and review a copy of any required insurance policy or endorsement to assure compliance with these requirements.

Mail all insurance documents required by this Contract to the Lead State identified on page one of the Contract. Additional insurance obligations may be imposed in Participating Addenda executed by Contractor and eligible Participating Entities. Any additional or different insurance documents required by a Participating Addendum shall be provided to the Participating Entity.

27. COMPLIANCE WITH LEGAL OBLIGATIONS. Any and all supplies, services and equipment bid and furnished shall comply fully with all applicable Federal and State laws and regulations. Contractor shall procure and maintain for the duration of this contract any state, county, city or federal license, authorization, waiver, permit, qualification or certification required by statute, ordinance, law, or regulation to be held by Contractor to provide the goods or services required by this contract.

28. WAIVER OF BREACH. Failure to declare a breach or the actual waiver of any particular breach of the contract or its material or nonmaterial terms by either party shall not operate as a waiver by such party of any of its rights or remedies as to any other breach.

29. SEVERABILITY. If any provision of this contract is declared by a court to be illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be affected; and the rights and obligations of the parties shall be construed and enforced as if the contract did not contain the particular provision held to be invalid.

30. ASSIGNMENT/DELEGATION. To the extent that any assignment of any right under this contract changes the duty of either party, increases the burden or risk involved, impairs the chances of obtaining the performance of this contract, attempts to operate as a novation, or includes a waiver or abrogation of any defense to payment by WSCA, the Lead State, or a Participating Entity, such offending portion of the

assignment shall be void, and shall be a breach of this contract. Contractor shall not assign, sell, transfer, subcontract or sublet rights, or delegate responsibilities under this contract, in whole or in part, without the prior written approval of the WSCA Contract Administrator, which approval shall not be unreasonably withheld.

31. OWNERSHIP OF PROPRIETARY INFORMATION. Contractor shall not use, willingly allow, or cause to have such materials used for any purpose other than performance of Contractor's obligations under this contract without the prior written consent of WSCA. Notwithstanding the foregoing, unless otherwise specifically state in this Contract, WSCA shall have no proprietary interest in any pre-existing works or materials, or in any materials licensed to WSCA for use that are subject to patent, trademark or copyright protection. All materials required to be delivered to WSCA under this paragraph shall be delivered to the Lead State.

32. PATENTS, COPYRIGHTS, ETC. The Contractor shall release, indemnify and hold WSCA, the Lead State, and Participating States and their officers, agents and employees harmless from liability against third party claims that any of the products or services provided by Contractor under this Contract infringe or violate any copyright, patent, tradename, trademark, trade secret, or other intellectual property rights, including the Contractor's use of any copyrighted or un-copyrighted composition, secret process, patented or unpatented invention, article or appliance furnished or used in the performance of this contract.

33. PUBLIC RECORDS. Pursuant to NRS 239.010, information or documents received from Contractor may be open to public inspection and copying. The State will have the duty to disclose unless a particular record is made confidential by law or a common law balancing of interests. Contractor may label specific parts of an individual document as a "trade secret" or "confidential" in accordance with NRS 333.333, provided that Contractor thereby agrees to indemnify and defend the State for honoring such a designation. The failure to so label any document that is released by the State shall constitute a complete waiver of any and all claims for damages caused by any release of the records. Information or documents provided in connection with a Participating Addendum shall be governed by the public records laws and practices of the Participating State or Participating Entity.

34. CONFIDENTIALITY. Contractor shall keep confidential all information, in whatever form, produced, prepared, observed or received by Contractor to the extent that such information is confidential by law or otherwise required by this contract.

Contractor further agrees to furnish information and reports to requesting Participating Entities, upon request, for the purpose of determining compliance with these statutes. Contractor agrees to comply with each individual Participating State's certification

requirements, if any, as stated in the special terms and conditions. This contract may be canceled if the Contractor fails to comply with the provisions of these laws and regulations. Contractor must include this provision in every subcontract relating to purchases by the States to insure that subcontractors and vendors are bound by this provision.

36. FEDERAL FUNDING. In the event federal funds are used for payment of all or part of this contract:

a. Contractor certifies, by signing this contract, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
