Costs for Maintenance and Monitoring;

\$ (see note below) /Month

Note; Maintenance & monitoring charges are estimated based a specific system type and quantity of equipment/devices, along with client selected monitoring services. NAV can provide specific cost detail if there were a basic security system chosen by Nevada for reference purposes.

Materials percentage mark-up

(Receipts for materials may be required by using agency to be submitted with invoice);

If awarded a contract, NAV would use the published materials & services catalog pricing, created specifically for Nevada, to determine material costs. Required materials or equipment not in the catalog are proposed at a 25% mark-up.
