1. Scope

This Addendum covers the NASPO Coop Lab Supply Contracts 2010-2015 led by the State of Idaho for use by state agencies and other entities located in the Participating State authorized by that state's statutes to utilize state contracts.

2. Participation

Use of specific NASPO cooperative contract by state agencies, political subdivisions and other entities (including cooperatives) authorized by an individual state's statutes to use state contracts are subject to the approval of the respective State Chief Procurement Official. Issues of interpretation and eligibility for participation are solely within the authority of the State Chief Procurement Official.

3. Changes:

No Changes Are Required

4. Continuation of Participation:

To the extent permitted by the laws and rules of the state in which an individual participating entity is located, valid participating addenda in either the WSCA Lab Supply Contract and/or the NASPO HELP contracts (both of which are being replaced by this NASPO cooperative contract) are extended to include participation in the NASPO Coop Lab Supply Contracts 2010-2015 under the same terms and conditions in the current participating addendum.

If re-execution of a participating addendum or amendment to an existing participating addendum is required by a participating entity, the authorization to participate in either the WSCA Lab Supply Contract and/or the NASPO HELP contracts is sufficient to permit participation in the NASPO Coop Lab Supply Contracts 2010-2015, unless specifically denied by the appropriate chief state procurement official.
