# SeamlessDocs Price Quote
The Future of Government Forms

# PRICING: STEP BY STEP GUIDE

This Proposal offers a step by step guide to finding pricing that works for your needs.

**Our Plans are comprised of 5 major sections.**

1. A base subscription depending on the term of your subscription

2. The amount of additional users

3. Additional solutions, products and portals

4. An API which depends on usage

5. Technical or non technical professional services.

Note* The following is pricing for State Departments Only.

# Pricing Quote: State Department Only

## Base Plan Term & Users

Review a base plan which is billed annually. Below highlights the usage limits for your base account.

### Base Subscription Options:

| Term | 1 year | 3 years | 5 years |
|---|---|---|---|
| **Annual Base Subscription** | $10,000 | $9,750 | $9,500 |
| *Savings* | *$0* | *$750* | *$2,500* |
| **Choose Term** | | | |

| Included with Base Subscription | | |
|---|---|---|
| **# of Users** | 1 Admin User | Included |
| **# of SeamlessDocs** | Unlimited | Included |
| **# of Submissions/eSignatures** | Unlimited | Included |
| **Account Management Team** | 1 Success Manager | Included |
| **Full Time Support** | Phone, Email, Chat, Forum | Included |
| **Training** | Web Training | Included |

### User Pricing:

| User Type | Annual Price/User | Choose # of Users |
|---|---|---|
| **Administrative User** | $1,000 | |
| **Member User** | $500 | |

### User Notes:

**Admin Users:** can view all forms and submissions within a SeamlessDocs account. This includes unlimited access to create, view and edit forms & account settings.

**Member Users:** can create forms however they can only, view and edit forms that they have created. They cannot view all forms within an account, nor can they edit account settings.

# Pricing Proposal

## Choose Additional Solutions *(check all that apply)*

SeamlessDocs continues to extend our platform with tools to extend the ability to use the data collected and gain insights.  These can be added on a case by case basis.

## Additional Solutions Pricing:

| Service Type | Annual Price |
|---|---|
| ☐ Authorized Payment Services (annual) | $2,500 |
| Start collecting payments directly from your SeamlessDocs from one of our authorized partners: Authorize. net, Paypal, Xpress Bill Pay, MCC Payments, Forte Payments, Bluefin Payments & ePay2Gov. | |
| ☐ SeamlessPay (Per Transaction) | Inquire |
| The easiest way to to collect payments on your forms with absolutely ZERO cost to your government. All of the fees get passed to the end constituent. | |
| ☐ Private Labeling (annual) | $1,500 |
| Rather than going to a URL like government.seamlessdocs.com/f/formname you will have a private labeled address, like docs.government.com/formname. *Included in Unlimited Tier* | |
| ☐ Citizen Portal (annual) | $2,500 |
| A way for your end citizens to login to SeamlessDocs and view the status of their form submission. This includes the ability to save and continue the process of filling out forms. | |
| ☐ Active Directory Integration (annual) | $2,500 |
| Full integration with your existing Active Directory account to make signing in and using SeamlessDocs even easier than it already is. | |
| ☐ Form Center (annual) | $2,500 |
| The Success Team will fully setup a public or private webpage that contains all of your desired SeamlessDoc Forms in an easy to use interface. See anytown.seamlessdocs.com. | |
| ☐ Public Records Portal (annual) | $2,500 |
| The Public Records Portal is a citizen facing solution built to solve the Records Request process. Citizens can search previous requests, submit new requests, or see status of existing requests. | |
| ☐ Form Fill (annual) | $2,500 |
| Form Fill gives you the ability to use the data from an previous form submission, and have it automatically populate onto a different form or document. *Use Case:* An employment application which auto populates the offer letter. | |

# Pricing Proposal

You can utilize their expertise to:

+ Setup integration with existing databases
+ Consolidate databases and eliminate data entry
+ Improve form workflows and business processes
+ Receive consultation on form best practices

# Pricing Proposal

## Choose API Needs *(optional)*

Our flexible API Plans allow you to customize based on your needs and increase or decrease costs based on usage.

## API Pricing:

| | Requests/Month | Price/Month* | Estimated Price/yr |
|---|---|---|---|
| ☐ | 150 | $100 | $1,000 |
| ☐ | 450 | $250 | $2,500 |
| ☐ | 1,500 | $450 | $4,500 |
| ☐ | 3,000 | $1,000 | $10,000 |
| ☐ | 10,000 | $2,000 | $20,000 |
| ☐ | 30,000 | $5,000 | $50,000 |
| ☐ | 50,000 | $8,500 | $85,000 |

*Billed at the end of the month depending on # of requests. Also note a 2 month discount when billing annual.

## API Support:

| Services | Type | Price/year |
|---|---|---|
| Sandbox Test Account | 1 Account | Included |
| Tier 1 Support | Email, Chat, Forum | Included |
| Documentation | Unlimited | Included |

## API Notes:

An API signature request takes place when you initiate a new signature process. For example, if you make a request to send out documents for signature, this will count as 1 API transaction. A single API signature request can be used to gather signatures from multiple people in cases where they are all involved in the contract
