Thank you for the opportunity to offer our quotation for your equipment needs. We look forward to your acceptance of this proposal. All prices are firm for 30 days from the date of this quotation. Prices are subject to revision after this date. Payment terms are C.O.D. unless prior credit arrangements have been made. No credit card payments will be accepted. Pricing may be subject to federal, state, local taxes and surcharges at the time of invoicing.

PURCHASED MATERIALS: Supreme and Buyer agree to review Bill of Material cost on quoted product quarterly. Supreme and Buyer agree to review raw material based on AMM (American Metals Market), PPI (Producer Price Index) and TTM(Tropical Timbers Market) or similar indices and purchased options based on supplier pricing. If the total material costs are within 3% of what they were at time of quote, there will be no change. If the total material costs are greater than 3% of what they were at time of quote, the price of the body will include that increase adjustment at time of invoice. If the total material costs are greater than -3% of what they were at time of quote, the buyer will receive that decrease adjustment at time of invoice. Increase or decrease adjustment will factor from the 0% up or down. (Applicable only to bids longer than 90 days in duration)

QUOTE DURATION: Supreme requires that body production begin within 90 days of order placement. Any order not started by the 90th day after order placement may be subject to pricing review or adjustment.

DIMENSIONS: All dimensions, weights, and measurements specified herein are subject to Supreme's manufacturing tolerances and may vary depending on options/chassis selected. Please contact your Supreme representative for measurements for your specific body order.

CHASSIS: When mounting a Supreme body on a used chassis all used chassis will be inspected by Supreme Corp. personnel upon the chassis arriving at our facility. It is in the best interest of all parties involved to ensure that the used chassis is suitable for use. Chassis will be inspected for road worthiness and OEM original specifications. Any necessary upgrades or repairs will be the responsibility of the customer including any delays as a result of vehicle upgrades or repairs. When not using a Supreme bailment chassis customer is responsible that the chassis has adequate mirrors and frame pucks for mounting a Supreme body.

PAINTING: Supreme does not warrant all colors painted on or impregnated in the gelcoat finish of a body and there are some colors that are not recommended. Please contact your Supreme sales representative to determine the warranty for your specific order.

NOTICE: Supreme shall not be liable for any such loss or damage as a result of any delay or failure to deliver, for any reason, including, but not limited to, any act of God, act of buyer, embargo or other government act, regulation or request, fire, accident, strike, slowdown, war, riot, vandalism, shortage, delay in transportation, or delayed delivery by suppliers.

Supreme shall not be liable for any incidental or consequential damages that may occur to customers used truck body, truck equipment, or personal items left in chassis or truck body while in Supremes possession for repairs and/ dismount.

In addition, customer agrees to reimburse Supreme for storage lot expense for their truck body after (90) days from dismount date. After the (90) day a fee of \$125.00 will apply including a \$6.00 per day fee thereafter for up to 180 days. After 180 days, the customers dismounted body will become the property of Supreme and a \$780. disposal fee will apply.
