

MAJOR PRODUCT CHANGES

OVERVIEW

The Transit Connect lineup consists of 16 Body Codes that offer various side and rear-door glass configurations, as well as multiple seating options that enable owners to customize the Transit Connect to meet their specific business and/or personal-use vehicle requirements. With two new powertrain choices; new class-exclusive driver-assist features; enhancements to interior comfort and convenience, and an updated exterior appearance, the 2019MY Transit Connect will continue to dominate the compact van segment for years to come.
