2	Provide a description of work/services to be performed or commodity/good to be purchased:
	<i>The radios have been purchased previously under the State Purchasing Agreement with Motorola. The radios will not be functional unless and until the installation has occurred. Once installation has occurred, Motorola will provide ongoing service, maintenance and warranty. This contract will cover the installation, maintenance, service and warranty.</i>

3	What are the unique features/qualifications required for this service or good that are not available from any other vendor:
	<i>Motorola is the manufacturer of the radios that will be installed and maintained. Because Motorola is the manufacturer of the radios that will be installed and maintained, they have the expertise to perform the services. If installed by another vendor, they could be improperly installed, potentially voiding any warranties.</i>

4	Explain why this service or good cannot be competitively bid and why this purchase is economically only available from a single source:
	<i>Because Motorola is the manufacturer of the radios that will be installed and maintained, they have the expertise to properly perform the services. Additionally, because other service providers may not have familiarity with the Motorola products, the services would likely be offered at a higher price point or require more hours, which in turn would increase the cost.</i>

5	Were alternative services or commodities evaluated? Check One.	Yes:	<input type="checkbox"/>	No:	<input checked="" type="checkbox"/>
	a. <i>If yes, what were they and why were they unacceptable? Please be specific with regard to features, characteristics, requirements, capabilities and compatibility.</i>				
	b. <i>If not, why were alternatives not evaluated?</i>				
	<i>Because Motorola is the manufacturer of the radios that will be installed and maintained, they have the expertise to perform the services. (see 3 and 4 above)</i>				

6	Has the agency purchased this service or commodity in the past? Check One. Note: If your previous purchase(s) was made via solicitation waiver(s), a copy or copies of ALL previous waivers MUST accompany this request.			Yes:	<input type="checkbox"/>	No:	<input checked="" type="checkbox"/>
	a. <i>If yes, starting with the most recent contract and working backward, for the entire relationship with this vendor, or any other vendor for this service or commodity, please provide the following information:</i>						
	<i>Term Start and End Dates</i>		<i>Value</i>	<i>Short Description</i>	<i>Type of Procurement (RFP#, RFQ#, Waiver #)</i>		
			\$				
			\$				
			\$				
			\$				

7	What are the potential consequences to the State if the waiver request is denied and the service or good is competitively bid?
	<i>The other providers could not properly install and service the already purchased radios. Motorola is the manufacturer of the product.</i>

8	What efforts were made or conducted to substantiate there is no competition for the service or good and to ensure the price for this purchase is fair and reasonable?
	<i>The products were purchased under the State Purchasing Agreement. In addition, the pricing for the installation, services and warranty was heavily negotiated by the Gaming Control Board.</i>

9	Will this purchase obligate the State to this vendor for future purchases? <u>Before selecting your answer, please review information included on Page 2, Section 9 of the instructions.</u>	Yes:	<input checked="" type="checkbox"/>	No:	<input type="checkbox"/>
	a. <i>If yes, please provide details regarding future obligations or needs.</i>				
	<i>Yes, there will be continued system maintenance and service, so long as the Gaming Control Board continues to utilize the Motorola products.</i>
