1. PROJECT OVERVIEW

- 1.1 The State of Nevada Purchasing Division is seeking proposals from qualified vendors to provide laundry services statewide on an as needed basis.
- 1.2 The State may award one (1) or more contracts in conjunction with this RFP, as determined to be in the best interests of the State.
- 1.3 It is the intention of the State to award contract(s) on a statewide basis; however, proposals may be considered regionally (Northern, Southern, Rural).
 - 1.3.1 Vendor's proposal must identify the geographic region(s) in which services are being offered and be specific as possible to the services being provided.
- 1.4 This contract will be mandatory for State agencies located in geographic regions serviced by the contract. The University and Community College System, the Court System, the Legislative Counsel Bureau, and Political Subdivisions (i.e., cities, counties, school districts, etc.) may use the contract(s) resulting from this RFP; however, they are not required to do so.
- 1.5 The State Purchasing Division will administer contract(s) resulting from this RFP. The resulting contract(s) will be for a contract term of four (4) years, anticipated to begin July 1, 2018, subject to Board of Examiners approval and will expire June 30, 2022.

- 8.6.3 Vendors acknowledge that material not marked as “confidential” shall become public record and shall be posted to the Purchasing website upon contract award.
- 8.6.4 It is the vendor’s responsibility to act in protection of the labeled information and agree to defend and indemnify the State of Nevada for honoring such designation.

9. PROPOSAL EVALUATION AND AWARD PROCESS

The information in this section does not need to be returned with the vendor’s proposal.

9.1 Proposals shall be consistently evaluated and scored in accordance with NRS 333.335(3) based upon the following criteria. The following criteria are listed in order of importance.

Criteria Description	Weight
Cost Cost proposals will be evaluated based on the following formula: $\frac{\text{Lowest Cost Submitted by a Vendor}}{\text{Proposers Total Cost}} \times \text{Price Factor} = \text{Cost Criteria Score}$	25
Demonstrated Competence	20
Experience in performance of comparable engagements	20
Customer Service	20
Conformance with the terms of this RFP	15

9.2 Effective July 1, 2017, a five percent (5%) preference will be awarded to businesses based in Nevada. A Nevada business is defined as a business which certifies either that its ‘principal place of business’ is in Nevada, as identified in **Section 3.1, Vendor Information**, or that a ‘majority of goods provided for the contract are produced’ in Nevada. The preference will be applied to the total score.

9.2.1 Financial stability shall be scored on a pass/fail basis.

9.3 Proposals shall be kept confidential until a contract is awarded.

9.4 The evaluation committee is an independent committee comprised of a majority of State officers or employees established to evaluate and score proposals submitted in response to the RFP pursuant to NRS 333.335.

- 9.5** The evaluation committee may solicit information from any available source concerning any aspect of a proposal and seek and review any other information deemed pertinent to the evaluation process.
- 9.6** Each vendor shall include in its proposal a complete disclosure of any alleged significant prior or ongoing contract failures, contract breaches, any civil or criminal litigation or investigations pending which involves the vendor or in which the vendor has been judged guilty or liable. Failure to comply with the terms of this provision may disqualify any proposal. The State reserves the right to reject any proposal based upon the vendor's prior history with the State or with any other party, which documents, without limitation, unsatisfactory performance, adversarial or contentious demeanor, significant failure(s) to meet contract milestones or other contractual failures. Refer generally to NRS 333.335.
- 9.7** Clarification discussions may, at the State's sole option, be conducted with vendors who submit proposals determined to be acceptable and competitive per NAC 333.165. Vendors shall be accorded fair and equal treatment with respect to any opportunity for discussion and/or written revisions of proposals. Such revisions may be permitted after submissions and prior to award for the purpose of obtaining best and final offers. In conducting discussions, there shall be no disclosure of any information derived from proposals submitted by competing vendors. Any modifications made to the original proposal during the best and final negotiations shall be included as part of the contract.
- 9.8** A Letter of Intent (LOI) shall be issued in accordance with NAC 333.170 notifying vendors of the State's intent to award a contract to a vendor, pending successful negotiations. Negotiations shall be confidential and not subject to disclosure to competing vendors unless and until an agreement is reached. All information remains confidential until the issuance of the formal Notice of Award (NOA). If contract negotiations cannot be concluded successfully, the State upon written notice to all vendors may negotiate a contract with the next highest scoring vendor or withdraw the RFP.
- 9.9** A Notification of Award (NOA) shall be issued in accordance with NAC 333.170. Vendors shall be notified that a contract has been successfully negotiated, executed and is awaiting approval of the Board of Examiners (BOE). Any award is contingent upon the successful negotiation of final contract terms and upon approval of the BOE, when required. Any non-confidential information becomes available upon written request.
- 9.10** Any contract resulting from this RFP shall not be effective unless and until approved by the Nevada State Board of Examiners (NRS 333.700).
